

Holiday Gift Guide

4. Shoot It, Edit It, Show It

Get the feeling of being on the *American Idol* stage! The official **American Idol Digital Camcorder** enables you to shoot footage of yourself and your friends performing songs. Then, you can edit eye-catching music videos to e-mail to friends and family. The **American Idol Digital Camcorder** by Digital Blue has a 680x480 resolution and 32 megabytes of memory.

5. Make Your Own Music

Sony Media Software's **American Idol Jam Trax** and **American Idol Extreme Music Creator** let aspiring musicians record vocals, tweak tempos and produce original songs like pros. Both the **Idol Jam Trax** and **Extreme Music Creator** give the gift of creativity and help the next generation of Idols achieve their dreams. With the help of the add-on **Randy Jackson Producer Pack**, it's almost like being on the show! This is a perfect gift for the holiday season.

6. Get Down on the Dance Mats!

Grab your glow sticks and pump it out on the new **American Idol Double Dance Challenge** electronic dance mats! This interactive performance mat shows you the dance steps to take with colorful illuminated foot guides. As the guides light up, you follow the pattern on the mat. Select from four pre-programmed dance patterns and three different skill levels. After three minutes, you will be rated on your performance. Dance by yourself or battle your friends in a two-player challenge!
